Free art exhibition in Little Venice

Step on board **Barge Fiodra** – a floating art gallery – to view beautiful artworks made by waterway artists. A selection and celebration of art being made on, or about, the UK's rivers and canals.

Many paintings, prints and postcards are available for sale; they make ideal gifts.

Find us in the 'pool' at Little Venice, not far from the Puppet Theatre Barge.

Open 11am to 6pm every day except Monday, from 3 Nov to 2 Dec 2018.
